

GMR Group is one of the fastest growing infrastructure enterprises in the country with interests in Airports, Energy, Highways and Urban Infrastructure Sectors. Employing the Public Private Partnership model, the Group has successfully implemented several iconic projects in India. The Group has global presence with infrastructure operating assets in Turkey, Indonesia and Nepal. The Group's commitment to inclusive growth is achieved through its Corporate Social Responsibility arm –the GRM Varalakshmi Foundation (GMRVF).GMRVF works with the under-privileged sections of the community in all locations where the Group has business interest. As a part of the GMRVF, GMRIT is an Autonomous Engineering College located in lush green campus of 158 acres in a place called Rajam, Srikakulam District (2 hrs. drive from Vizag) . We have been ranked among top 5 Engineering Colleges in the state of AP and rated among top 65 Engineering Colleges in the country. We have been accredited by NAAC with 'A' grade and NBA. We offer 8 UG and 7 PG programmes. We are also accredited by TCS, Infosys, WIPRO etc. and large companies like TCS, L&T, Mahindra Sathyam, and HCL Technologies recruit students from our institute regularly. GMRIT delivers quality technical education and all round development for aspiring engineers. The Institute aims at becoming a preferred institution of the country in the coming years through its drive towards research.

1. Endorsements:

- a) Graded AAA by Careers 360 magazine - May 2013
- b) Ranked 54th among top 100 Private Engineering. Colleges in India; 11th in Andhra Pradesh & 8th as top Promising Engineering College by CSR GHRDC magazine - June 2013
- c) Silicon India ranked GMRIT CSE dept. 53rd among top 100 colleges, 52nd ECE & Mechanical Engineering. Dept – June 2013
- d) Ranked 75 among top 100 colleges in the country by Outlook June 2013
- e) Ranked 62 amongst Top 100 Engineering Colleges of India by DATA Quest 2013.

2. Courses Offered :

- a) Bachelors' specializations in Engineering:
 - i) Computer Science & Engineering
 - ii) Information Technology
 - iii) Electronics & Communications Engineering
 - iv) Electrical & Electronics Engineering
 - v) Power Engineering
 - vi) Mechanical Engineering
 - vii) Civil Engineering
 - viii) Chemical Engineering

- b) Masters' specializations in Engineering:
 - i) Computer Science and Engineering (Parent Dept. – CSE)
 - ii) Digital Electronics and Communication Systems (Parent Dept. – ECE)
 - iii) VLSI & Embedded Systems Design (Parent Dept. – ECE)
 - iv) Power and Industrial Drives (Parent Dept. – EEE)
 - v) Thermal Engineering – (Parent Dept. – Mechanical Engineering.)

- vi) Transportation Engineering (Parent Dept. – Civil Engineering.)
- vii) Environmental Engineering (Parent Dept. – Civil Engineering.)

c) Facilities for Faculty members

- i) Placed on 6th Pay Commission Pay Scales with DA revisions twice annually as applicable
- ii) All statutory and welfare payments like PF ,Gratuity ,Leave Travel Assistance ,Group Medclaim and Personal Accident Premia,Medical Reimbursement, Group Term Insurance , Allowance for Children Education etc.are provided.
- iii) Well structured Research Incentive Policy to the tune of Rs.75, 000 for publishing books with International Publishers, Rs.20, 000 for each paper published in reputed journals, Rs.3000 for publishing article in international newspaper/magazine and Rs.1000 for presenting paper in a conference.
- iv) QIP policy- Structured and established Quality Improvement Program for young faculty members to pursue PhD in some of the reputed institutes of the country.
- v) Subsidized accommodation within the campus with state of the art facilities and ambience.
- vi) Within campus super specialty hospital for 24hrs support.
- vii) Within campus DAV School which is equally reputed.
- viii) In campus cooperative store with subsidized price of the daily household requirements
- ix) Sports, recreation and Club Facility within campus for Quality Life.
- x) A complete Work life balance scenario which Academicians always look at so that they can devote more time for self-development.
