

September 4, 2018

Dear Sai Uttej Koduri,

Congratulations! We are delighted to inform you that you have been selected as an official participant for the **ClimateForce: Arctic 2019 Expedition**, which will be held from 15 June - 26 June, 2019. You will join a diverse group of people from around the world who have also been selected to participate in ClimateForce's "Leadership on the Edge" program led by Robert Swan OBE, as well as learning exercises led by renowned experts on issues of climate change, sustainability, and energy use. You will also be empowered with tools to implement these ideas and help protect the Arctic, as well as the place you call home.

You will explore the magnificent landscape of the Arctic Circle and gain firsthand knowledge of this fragile ecosystem that is home to some of the most resilient and unique wildlife on the planet. Your days will be filled with life lessons on leadership and team building, which will help create lifelong relationships with your teammates.

Throughout the program you will learn valuable skills designed to bolster your ability to build and guide successful teams at work, home and in your community. Our guest speakers are experienced in their fields and the presentations will incorporate aspects across various sectors including corporate management, non-profit, and academia.

The purpose of this Arctic Expedition is to engage and inspire the next generation of leaders like YOU to take responsibility for building resilient communities and be sustainable in all aspects of living. It is NOW time for action in policy development and sustainable business generation through the promotion of recycling, renewable energy, and sustainability. We believe that if we get this right, we can preserve the Arctic together.

Congratulations again. We look forward to hearing from you soon and confirming your place on **ClimateForce: Arctic 2019 Expedition!**

Welcome aboard.....
