Prof. M S ANANTH ENDOWMENT FUND

In 2011, IIT Madras alumni founded the Prof. M. S. Ananth endowment fund in honour of Prof. M. S. Ananth, who was then retiring as Director. He was well-known for his contributions to science and teaching, as well as his tireless efforts to develop higher education and research in India.

This fund's interest is put to two separate uses:

- To support socially relevant projects.
- To support the children of staff members of self-help organizations who work on campus with their school and higher education needs.
