

## Frequently Asked Questions

### Q: How are recipients chosen for this scholarship?

A: The scholarship is awarded to deserving students with parents' income falling between 5 lakhs and 8 lakhs per annum, alleviating their financial burden regarding tuition fees.

### Q: What is the duration of scholarship support?

A: It is a one-time scholarship. If the donor decides to renew and you fulfil the criteria. It will be automatically renewed.

### Q: I am pursuing a dual degree. Am I eligible?

Yes, dual degree students are eligible, but they won't receive tuition support for their 5th year.

### Q: Can I receive assistance for living expenses from this scholarship?

A: No, the scholarship exclusively covers tuition fees.

### Q: What happens if my CGPA drops?

A: You will forfeit any remaining scholarship, and the scholarship will be awarded to another deserving student.

### Q: What happens if my family income rises?

A: If your family's income surpasses Rs. 8 lakhs per annum during the annual renewal, you will lose eligibility for the scholarship.

### Q: Will the scholarship reimburse my tuition fees?

A: Yes, the scholarship will reimburse your tuition fees directly to your account.

### Q: How is the scholarship money disbursed?

A: Students must update their bank account information in the IITM workflow. Once verified and approved by the Scholarship unit's account section, the money will be transferred to your bank account.

### Q: What is the timeline for crediting the funds into students' accounts?

A: Typically, students can expect the funds within three to four weeks after confirmation from the ACR Office.

### Q: What should I do if I haven't received my scholarship funds?

A: For status updates, students are encouraged to contact Main Accounts with all relevant details.
